

FABIO TABLE

The Handmade Fabio Table is manufactured to the highest standards in solid wood with the option of ebonised detailing to parts of the table. This gives the Fabio a high quality smart finish with beautiful fluted legs. This table fits in well with a modern interior with its straight bold lines. This table also has a precision ground Italian slate bed to guarantee a flat playing surface and has genuine English moulded leather to cover the pocket plates. The table is polished to a high quality durable finish in a choice of colours and also has a range of cloth colours to choose from.
