

FAULKNER TABLE

The Faulkner is a beautifully hand carved traditional table, crafted to the highest standards from highly figured timber with decorative legs, mouldings, inset carved leg plates and rosettes which give it a very grand and opulent style. This table has a precision ground Italian slate bed to guarantee a flat playing surface and has genuine English moulded leather to cover the pocket plates. The table is polished to a high quality durable finish in a choice of colours and also has a range of cloth colours to choose from.
