

LINDO DINER

The Lindo is a handmade convertible refectory diner manufactured to the highest standards in solid English Character oak. The table has a simple square refectory leg design with the dining tops running the length of the table as a traditional refectory table would. The knots and splits in the wood give an appearance of an old worn rustic farmhouse table.

It has a precision ground Italian slate bed to guarantee a flat playing surface, it is fitted with a solid brass dual-height rise and fall mechanism and levelling system to raise and lower the table easily between playing and dining height. Genuine English moulded leather covers the pocket plates and the cotton bag net pockets can be hidden away when in the dining position.

The table is polished to a high quality durable finish in a choice of colours and also has a range of cloth colours to choose from. Available with solid wood dining tops only.

AVAILABLE PLAYING SIZES	IDEAL ROOM SIZE REQUIRED
	(Without other furniture)
6' x 3' (183 x 91.5cm)	14' x 11' (427 x 335cm)
