

## TANKSLEY TABLE

The Handmade Tanksley Table has square shaped legs with stretcher rails between. The table is manufactured to the highest standards using a precision ground Italian slate bed to guarantee a flat playing surface and has genuine English moulded leather pockets. The style of this table is based on a design from the 1930's and has featured in the House & Garden Magazine in America. This table best suits American pool although it can be manufactured to any specification. The table is polished to a high quality durable finish in a choice of colours and also has a range of cloth colours to choose from.
